

Prophetic Word – given to me 15/8/22

Luke 12:49-51

⁴⁹ “I have come to bring fire on the earth, and how I wish it were already kindled! ⁵⁰ But I have a baptism to undergo, and what constraint I am under until it is completed! Do you think I came to bring peace on earth? No, I tell you, but division

God said

- My people will walk in that fire
- But first they must undergo death and resurrection

The body of Christ have been calling out for truth

- It's time for truth to come
- My truth will be preached to the ends of the earth
- The enemy won't be able to stop it
- In order for my body to carry the truth - there is a fire of cleansing coming
- A purging of a foundation of deception and lies

The body of Christ is about to undergo a death and resurrection

The resurrection will be joyful

- My people will carry my resurrected life
- Surprises are waiting for my people
- Surprises that will draw people into my presence
- Surprises that will display my goodness
- I am raising up the ruling and reigning church
- The Ephesians church
- The bride without spot or wrinkle
- You will know an unprecedented authority
- The enemy will bow before the body of Christ
- The lies the enemy has perpetrated has kept my children enslaved
- Sickness / lack / failure – the enemy has used these as weapons to keep my people enslaved
- But these were defeated on the cross
- I said that I came to bring life in all its fullness till it overflows
- It's time for life and blessing to rule in this earth
- I intended this Kingdom / this world - to be ruled by my people

- I say – enough is enough
- The enemy's days are numbered
- The only power the enemy has is lies
- They are only powerful when they are believed
- The dominion of this world is about to handed back to the body of Christ
- I am about to reveal those places in your lives where the lies of the enemy have been hidden
- Structures have been built on them
- Those structures – while they contain the truth of my Word
- Can never contain the fullness of truth I have for you
- The foundations are faulty
- I am about to get rid of worldly structures that have been propping you up
- The enemy has stolen stages that I intended to be used for my purposes
- Stages that were meant to put my goodness on display

It's time for the enemies lies to be exposed and his structures torn down

A great disillusionment is coming

- The illusion of truth will be revealed as a lie
- An illusion of truth has prevailed
- But in the unveiling of the illusion a great disillusionment will come as people grapple to find the truth
- I say to my people – keep your eyes on me
- Don't give in to fear
- My people must stay hidden in the secret place
- Therein lies your strength / your resilience / your joy

This will be a time of death

- Death to self
- Death to lies
- Death to contaminated containers that could never hold the purity of my presence

Death must precede resurrection

- I am raising up that which cannot be destroyed
- I am bringing a revival
- But not just a revival

- A restoration of all I intended for my people and this earth
- The earth has been groaning
- Waiting for this time
- In the past – revival has been contained in the church
- The church has dammed up the blessings I poured out
- But I say – not this time
- This time – my people will go out into the marketplace
- Out into their communities
- And people will be hungry to experience my truth
- Their own disillusionment will cause many to seek out my goodness
- Their own hurting will cause my presence to manifest in places unheard of
- Places that have kept me out
- Hiding places are being opened up
- Dark places that have kept people captive to evil

Resurrection of the body will bring you into greater levels of intimacy with me

- Greater levels of authority and intimacy
- I am building structures in you that cannot be destroyed
- Building on foundations of truth
- You will experience my presence and power like never before
- Your purpose will be clear and firmly established

The world has never seen anything like what I have planned

- Anything like my people – standing up as sons and daughters of the King of Kings
- My children – rising up in their true identity

It will bring great joy to many

- It will cause many to come running into my arms

There will be rejoicing on earth and in Heaven
